COMPASSION

We have great compassion to help refugees and those residing in remote areas who receive little help. Our programs are undertaken with care and dignity, designed to effectively address both immediate and longer-term needs.

WORLD

WCF has worked in over 20 countries around the world addressing the needs of impoverished communities. Our experienced and passionate volunteer teams help deploy our programs globally - across Africa, Asia, the Caribbean, South America, and the Middle East.

FELLOWSHIP

WCF builds relationships locally, developing long-term local partnerships with organizations that have stakes in the communities we serve and similarly share our vision and goals.
